## What is a CSA?

Community Supported Agriculture (CSA) is a farming model in which community members pledge support to the farm at the beginning of the season. In return, they receive a share of the harvest every week. The growers and members provide mutual support in their food production, and both partners share in the risks and rewards of small-scale farming (e.g. weather, disease, pests verses fresh, nutritious, and bountiful veggies). CSA restores the lost connection between people and agriculture by providing an opportunity for members to be directly connected to how their food is grown. Please visit us online for lots of information about our farm and photos of

CSA shares: [wildfoxfarm.com](http://wildfoxfarm.com)

Share Options & Pick-up Procedures

**On Farm Pick-up**

**Regular Size:** recommended for larger families or those who eat a lot of vegetables

**Small Size:** recommended for a single vegetarian or a small family

Each week shareholders enjoy a market style "free choice" CSA pick-up. You select the vegetables yourself according to your family's eating habits and taste preferences. The quantity of vegetables that you take is meant to meet the weekly needs of **your** family for **fresh consumption**. (If you are interested in preserving or ordering extra items for special occasions, just let us know and we can arrange a bulk order.) Quantities and varieties fluctuate throughout the year.

Please **bring your own bags** each week to fill with fresh veggies. When you arrive at the farm, there will be a sign-in sheet where you will check off a box by your name. Vegetables will be displayed with labels and you will be responsible for filling your own bag. There may be limited amounts of certain vegetables if they are in short supply. U-pick crops (see variety list) will be available for on farm pickup only. Wild Fox Farm eggs and meat are available for purchase as well, and shareholders receive a 10% discount on all WFF purchases

## **Drop-off: Emmaus, Bethlehem, Allentown, Breinigsville\* (\*Winter only)**

These shares are equivalent to the **Small Share size** (we recommend purchasing 2 shares if you need more veggies) and will be pre-bagged and placed in wooden crates, in a safe, accessible location, at a partnering business. You must commit to one pick up location for the share season, so we know how many shares to deliver at each location. Simply **remove the bags** from their crates and **leave the crates** at the pickup site. (We do not charge a delivery fee for this share option. Pickup shareholders do not receive U-pick crops or exercise “free-choice” in their produce selection).

## **Communication**

Each week you can expect to receive an **e-mail** with a harvest list for that week, any updates from your farmers, as well as a few recipes using the vegetables that we are harvesting that week. We also send out any emergency notifications over e-mail.

## **Vacation**

You may request to receive a double share the week before or after your vacation week. Please let us know on *Monday* of the week you would like to double up on. Otherwise, feel free to send friends or family in your place to pick up your share.

## **Share Prices and Payment Options**

Regular Share: \$360 (\$30/week for 12 weeks)

Small Share: \$240 (\$20/week for 12 weeks)

You may join for 1 or more CSA seasons. Mix and match CSA seasons to suit your family's lifestyle needs. (i.e. Summer & Winter – Summer, Fall & Winter – Fall & Winter)  
*(If you join for all 3 seasons up front, you will receive 20% off your next WFF purchase!)*

To secure your share, we require a \$100 deposit and your completed sign-up form. Deposits can be made in cash or check (made out to Wild Fox Farm), or online at [mkt.com/wild-fox-farm](http://mkt.com/wild-fox-farm). You may choose to pay in full by the 1st of the first month of your season, or in three installments; 1/3 of your total due by the 1<sup>st</sup> of each month.

**\*\*All Shareholders receive a 10% discount on WFF purchases\*\***

## **Shareholder Involvement**

### **On the Farm**

You are always welcome at the farm! We will have a few seasonal Shareholder Potluck picnics, as well as a few **workdays** when shareholders are invited to participate in projects on the farm like garlic harvest, onion harvest and potato harvest.

### **Comments & Suggestions**

We greatly value your feedback on anything and everything.

# 2017 CSA Sign-up Form

To secure your CSA membership, please send us your *completed sign-up form & \$100 deposit*

Online registration and payment available at: [mkt.com/wild-fox-farm](http://mkt.com/wild-fox-farm)
